

introducing our *Beatrix Potter™* Collection

Peter Rabbit and his friends bring storybook charm to any Easter gathering. Set a memorable table with our exclusive table linens and classic porcelain plates.

A-D. EASTER COLLECTION

Bring springtime cheer to the home with our newest Easter decorations. Perfect for a tabletop or mantle display, our garden cottages are hand-painted for rich detailing, including window moldings and a gabled roof. A small tree in the front yard adds the perfect touch. Our hanging house and chick bring a handcrafted look to any room. The plush cotton chicks hang from a fabric-covered loop. The colorful house is made of cotton with Easter-themed appliques; hanging hardware included but does not include ribbons as shown. Green polka-dot glass tumblers help put the finishing touch on a colorful table setting. For an added treat, personalize our egg-shaped chair-backers and fill them with goodies. Tumblers are dishwasher safe.
